## Experience –

**Chinese Planning Council, Group Lead**

May 2018 – September 2019

- Worked to create a learning environment for hundreds of students and successfully managed a team to plan and coordinate events.
- Created learning objectives and lessons months in advance and worked during off hours to coordinate and organize events with other coworkers
- Helped to plan out the expenses for the work location to both maximize the outcome of goods and the benefits the students gain.
- Taught students how to manage their wealth, spend money and how to sell goods for a profit by creating normal good out of inferior goods.

## Skills –

- Stata
- .RData
- Microsoft Excel

## Education –

CUNY Hunter College, New York

08/2017-Present

- **BA Economics**

### Courses

- Econometric
- Public Finance
- Money and Banking
- Microeconomics
